HAMSAVENI S

6361835044 hamsaammu07@gmail.com hamsaveni-s hamsaammu07-wq my-portfolio

Skills

Programming: Java, Python, JavaScript

Frontend: HTML, CSS

Backend: Java, Spring Boot

Database: MySQL

Core: Object-Oriented Programming (OOP), Git, GitHub

Projects

Tech Innovation Multimedia Hub *1 Week*

Technologies: HTML, CSS, JavaScript, Git, GitHub

- Developed a responsive multimedia website that organizes technology-related videos, audio, images, and articles.
- Designed the user interface, implemented interactive features, and deployed the website using GitHub Pages.
- Live Project

Automatic Facial Emotion Classification Using Deep Learning *1 Month*

Technologies: Python, TensorFlow, Keras, OpenCV, NumPy, CNN

- Collaborated on a team project to develop a deep learning system for classifying facial emotions.
- Contributed to facial image processing and CNN-based emotion classification using deep learning technologies.

Experiences

TAP Academy *Ongoing*

Java Full Stack Development Trainee

- Building practical skills in Java programming, frontend development, database management, and full stack web development.

Achievements

- **Basic Computer Course:** Gained foundational computer knowledge and practical computer skills.
- **Java Basics Course:** Learned Java fundamentals, including variables, data types, operators, and control statements.
- **Java Full Stack Development Training – TAP Academy:** Currently developing programming and web development skills.

Education

MES MSPS First Grade College **2023–2026**

Bachelor of Computer Applications (BCA) | CGPA: 8.91

Chikkamagaluru, Karnataka

St. Joseph Girls PU College **2022–2023**

Pre-University Course (PUC) | Percentage: 89.83%

Chikkamagaluru, Karnataka

St. Joseph Convent **2020–2021**

SSLC | Percentage: 76.16%

Chikkamagaluru, Karnataka
